

What should I bring?

The biggest mistake people make when they move to a nursing home or assisted living facility is to bring too much. We collect residents' laundry daily, so there's no need to overpack. The wardrobes in our rooms are not very large.

What to bring:

- Clothing for 7- 10 days (tops, slacks or skirts, undergarments, socks, shoes)
- 2 or 3 cardigan sweaters or fleece jackets
- A coat or jacket
- Pajamas or night gowns, robe and slippers
- Personal care items: You may wish to bring items like a toothbrush and toothpaste, hairbrush and comb, deodorant, cosmetics and toiletries, but we can also provide these.
- A leather or vinyl recliner, if space is available in your room
- Family photos, paintings or other décor
- Your own twin bedspread or comforter, if desired
- Costume jewelry
- Laptop computer, tablet or e-reader, if desired
- Cell phone, if desired
- Radio, iPod or other music player, if desired
- Wedding rings that fit securely are fine, but if they are loose they can too easily be lost or misplaced.
